Governor's Economic Development - GOED

Update by Kristopher Sanchez

Thank you to the Indian Chamber of Commerce and Mrs. Rita Vaswani for her tireless advocacy in serving the business community.

The Governor's Office of Economic Development (GOED) stands by ready to assist with inquiries from the business community. Following, are some resources available to help with questions in obtaining funding assistance.

For any other business related questions, please contact GOED through the website at diversifynevada.com. There is valuable information on our website and a contact page to reach us. We are here to help you! The GOED Team

The Small Business Administration will work directly with governors to provide targeted, low-interest loans to small businesses and nonprofits that have been severely impacted by the coronavirus. The SBA's Economic Injury Disaster Loan program provides small businesses with working capital loans of up to \$2 million that can provide vital economic support to small businesses to help overcome the temporary loss of revenue they are experiencing.

COVID-19 has created unprecedented circumstances that have taxed all levels of government resulting in long delays. We regret that response times have been lengthy but assure you that we are working at capacity to be responsive to inquiries with those urgent inquiries taking priority. We understand that these are difficult times for our state and our nation and appreciate your patience and understanding as we work to assist as many people as possible.
